The Giza Plateau

The day begins at Egypt's most iconic site — the last surviving Wonder of the Ancient World.

1

The Great Pyramid of Khufu

THE LAST SURVIVING ANCIENT WONDER OF THE WORLD

Built around 2560 BC as the tomb of Pharaoh Khufu, it stood as the tallest man-made structure on Earth for nearly 3,800 years. Optional interior entry is available for those who wish to descend into its inner chambers.

2

Pyramid of Khafre & Pyramid of Menkaure

THE SECOND AND THIRD PYRAMIDS OF GIZA

Khafre's pyramid still retains part of its original polished limestone casing at its peak, while Menkaure's smaller pyramid completes the trio that defines the Giza skyline.

3

The Great Sphinx of Giza

EGYPT'S MOST ICONIC GUARDIAN STATUE

Carved from a single block of limestone with the body of a lion and the head of a pharaoh, the Sphinx has watched over the Giza necropolis for over 4,500 years.

4

Panoramic Viewpoint (Photo Stop)

THE CLASSIC POSTCARD VIEW

A stop at the desert panoramic point for uninterrupted views of all three pyramids together — the perfect photo opportunity, with optional camel or horse rides available.

Saqqara & Memphis: The Birthplace of Ancient Egypt

5

The Step Pyramid of Djoser, Saqqara

THE WORLD'S OLDEST MONUMENTAL STONE BUILDING

Designed by the architect Imhotep around the 27th century BC for Pharaoh Djoser, this six-tiered pyramid predates Giza's Great Pyramid and marks the very beginning of pyramid architecture in Egypt.

6

Saqqara Necropolis & Noble Tombs (Optional)

BEAUTIFULLY PRESERVED TOMB RELIEFS

Time permitting, explore nearby tombs of Old Kingdom nobles, renowned for their finely carved and painted wall reliefs depicting daily life in Ancient Egypt.

7

Memphis Open-Air Museum

THE FIRST CAPITAL OF UNIFIED EGYPT

Once the political and religious capital of Ancient Egypt, Memphis is now an open-air museum showcasing statues and relics from its glory days as one of the ancient world's greatest cities.

8

Colossus of Ramses II & The Alabaster Sphinx

ICONS OF MEMPHIS

Marvel at the colossal fallen limestone statue of Ramses II, displayed in its own purpose-built hall, and the Alabaster Sphinx — the largest of its kind found outside Giza.

* The route can be customized — pyramid interior entry, camel rides, and extra stops can be added based on your preferences and available time.
