TOUR ITINERARY

Inside the World of Khufu

A private, unhurried exploration of the Great Pyramid and its immediate surroundings on the Giza Plateau.

1The Great Pyramid of Khufu

THE LAST SURVIVING ANCIENT WONDER OF THE WORLD

Built around 2560 BC as the tomb of Pharaoh Khufu, it stood as the tallest man-made structure on Earth for nearly 3,800 years. Your guide walks you through the engineering theories behind its construction.

2Pyramid Interior Entry (Optional)

DESCEND INTO THE HEART OF THE PYRAMID

For those who wish to go inside, ascend the narrow passages of the Grand Gallery toward the King's Chamber — the burial chamber at the pyramid's core. Tickets are limited daily and arranged on-site.

3Solar Boat Museum Area

KHUFU'S FUNERARY BOAT

See the site where Khufu's full-size funerary boat was discovered, buried beside the pyramid to carry the pharaoh through the afterlife.

4The Great Sphinx of Giza

EGYPT'S MOST ICONIC GUARDIAN STATUE

Carved from a single block of limestone with the body of a lion and the head of a pharaoh, the Sphinx has watched over the Giza necropolis for over 4,500 years.

5Panoramic Viewpoint (Photo Stop)

THE CLASSIC POSTCARD VIEW

A stop at the desert panoramic point for uninterrupted views of the pyramids together — the perfect photo opportunity, with optional camel or horse rides available.

** The route can be customized — pyramid interior entry, camel rides, and extra stops can be added based on your preferences and available time.*

GOOD TO KNOW

Before You Set Off

♦ What To Wear

Light, breathable clothing, a hat, and sunglasses are recommended — the plateau offers little shade. Comfortable closed shoes are best for walking on sand and uneven stone, and inside the pyramid's low, sloped passages.

♦ Sun & Heat Protection

Sunscreen and a refillable water bottle are strongly recommended, especially for tours between April and October.

♦ Pyramid Interior Entry

Tickets to enter inside the Great Pyramid are limited daily and purchased on-site; let your guide know in advance if you'd like this added to your day. The passages are narrow, low, and steep, so this is best suited to visitors comfortable with confined spaces.

♦ Vendors & Camel Rides

Camel and horse rides are optional and arranged directly on-site through vetted local providers; your guide will help you negotiate fairly if you're interested.

♦ Suitable For All Ages

This tour is ideal for history lovers and first-time visitors to Egypt, with pacing flexibly tailored to your group's fitness level and interests.
